### THE TWIN PILOTS

IF TWINS FLEW IN OPPOSITE DIRECTIONS  
 AROUND THE WORLD 50 TIMES A YEAR FOR  
 50 YEARS, ONE TWIN WOULD BE OVER  
 13 YEARS OLDER THAN THE  
 OTHER TWIN.....

It is not beyond the realms of possibility for one twin to be several years older than his twin brother. When the day comes that mail pilots make round the world flights, this seemingly impossible fact may easily become a reality.

Imagine twin pilots circling the globe in opposite directions, one traveling westward, and the other eastward. The pilot cruising westward, moves along with the motion of the sun, lengthening his day by one hour for every 15 degrees. When he completes the trip, he has lost one day upon arrival at the starting point. Flying eastward, the other twin gains one day, since he makes one more revolution than the earth does.

If the twins make 50 round the world flights each year, for 10 years, at the end of the tenth year, the pilot that has been traveling eastward is 1,000 days older than the pilot who has been flying westward, since each trip makes two days difference in their ages.

If the fliers make 50 trips a year, and continue for 50 consecutive years, the eastward bound twin becomes exactly 13 years, eight and one-half months older than the other twin.

If anybody has a house older than that owned by Ross R. Wolfe, of Stephenville, Texas, Mr. Wolfe would like to hear about it. In shape, this house is rather young, but in material it is millions of years old.

Eighty tons of petrified and fossilized objects, gathered from seven countries and 11 states, went into the making of this house. Sea shells, ferns, tracks of giant prehistoric lizards, stalagmites and stalactites, petrified logs and fossilized materials of all kinds from land and sea, are contained in this quaint structure.

Thad Brock, was called back in punt formation eight yards behind his own goal line in a game against Duke University, November 28, 1929, after Davidson had stopped Duke just short of a touchdown. Instead of kicking, Brock ran with the ball until he was downed on Duke's six-yard line. McQueen, a substitute, carried the ball over on the next play.

For further information enclose a stamped, self-addressed envelope in care of this paper.

### Motorcycle Crash Takes Life of Boy

Seaman Is Victim of  
 Tragic Accident In  
 Lomita Saturday

LOMITA—A motorcycle accident cost the life of Paul Otis Seaman, U. S. S. Oklahoma, Saturday afternoon and caused serious injuries to several bystanders at the corner Pennsylvania and Poppy streets. Seaman, with Ralph Parsons and C. Goffinet, also seaman on Oklahoma, had come to Lomita to spend the week-end at the home of Miss Parsons, her brother Goffinet were standing on the walk on Pennsylvania street. Starkey came riding down Pennsylvania. As he slowed down to dismount, the motorcycle suddenly skidded, hurling him head against the curb. The motorcycle crashed into a shade tree in front of Miss Parsons' home.

Had Many Friends  
 An ambulance was called and young man rushed to the Torrance Jared Sidney Memorial hospital where first aid was given. Later in the day he was rushed to the hospital ship, U. S. S. Relief, where he died Monday night without regaining consciousness. Death was due to a compound fracture of the skull, it reported.

Funeral services were held Tuesday morning at San Pedro, plain Pierce of the U. S. S. Thomas, officiating. The body shipped to Honolulu, Virginia, to his parents, Mr. and Mrs. J. O. Starkey, reside. Starkey had many friends in Lomita where he spent most of his time when on liberty. The day before the accident he had attended a party at the Starkey home. A clean, unassuming boy, 20 years old, his merry smile ready wit had made him many friends who mourn his untimely death.

### Local Drum Corps At L. A. Ceremonies

Local Legionnaires in charge of a set sales here for the Armistice game yesterday believe about Torrance residents enjoyed the tary spectacle and grid contest the Los Angeles Olympic Stadium. Preceding the game, in which U. C. L. A. defeated St. Paul's, 12-0, the local Drum and Pipe Corps participated in the parade and demonstration given at stadium by a number of Legion posts, other veterans' organizations, Boy Scouts, and the army navy.
